

Public Notice

The City of Quincy, Illinois (City), has scheduled a public meeting to discuss the licensing of the proposed Upper Mississippi River Lock & Dam No. 24 Hydroelectric Project—Federal Energy Regulatory Commission (FERC) Project No. 13331—located on the Upper Mississippi River in Calhoun County, Illinois, and Pike County, Missouri. The meeting will be held:

Date: December 8, 2010

Time: 1:30 p.m.

Location: City Hall Council Chambers
730 Main Street
Quincy, Illinois

The purpose of the meeting is to outline the City's proposal to develop hydroelectric power at the Upper Mississippi River Lock & Dam No. 24 and to hear your comments and questions on the licensing of the proposed hydroelectric facility. The meeting agenda is as follows:

City of Quincy

- Welcome
- Introductions
- Overview of meeting logistics and purpose
- Overview of FERC licensing process
- Description of the proposed Upper Mississippi River Lock & Dam No. 24 Hydroelectric Project
- Description of the Preliminary Application Document (PAD)
